Applications and use

Typical applications include general purpose labels for cosmetics, toiletries and other health and beauty aid products, promotional labeling and shipper labels for corrugated boxes.

Conversion/printing

The product is engineered to provide good lay flat characteristics desired for optimum performance in sheet applications. The product is suited to single and/or multicolor line printing by offset, screen and digital. The product showcases excellent die cutting characteristics.

A higher gloss finish can be achieved by additional varnishing or over laminating.

Exposure of sheets to high humidity conditions should be minimized.

Shelf life

Two years when stored at 22°C at 50% RH.
